CODE OF BEHAVIOUR

RECORD CARD

Your children may have mentioned a new Positive Whole School Initiative that has been introduced to further praise & encourage the children's good behaviour and acts of kindness.

We had an example of an interactive Promethean Board in the school foyer that children, teachers & parents got an opportunity to look at & try.

The Promethean Board is an interactive display for education, providing a tablet-like experience at the front of the classroom.

All money raised on our Summer Social Night will go to purchasing these or similar.
